It is solely the owners responsibility to be aware of the fact that their animal should be fully insured as well as lucy pet carer. If an incident occurs through no fault of ours, owners will be liable for costs if their pet is involved.

Owners are aware of our setup that dogs mix and play together as a pack and unfortunately if an accident happened then it may be down to the individual owner or owners to sort out themselves, all dogs are seen and assessed individually to make sure they are compatible for free range activities and they are left at the owners risk they are carefully watched and managed by trained staff during play and in the event of incidents happening dogs will be dealt with accordingly.

I hereby give Lucy Pet carer my permission to transport any of my pets for care to the vets, I understand that Lucy Pet Carer assumes no responsibility for the loss of any pet and is released from all liability related to transport, treatment and expense.

This consent for treatment has no expiry date unless otherwise noted, in the event of an emergency Lucy Pet Carer will endeavour to get to the nearest vet at once, this may not be the one of your choice.
